Articles Wanted for the New Look *Caps & Flints*

Members will be receiving the August issue of the new look *Caps & Flints*. This is without doubt a major advance in the quality of the Guild's magazine. The change to an A4 size journal has given the Editor a chance to produce a commercial standard magazine.

But as we continue to remind members the journal cannot exist without content. Therefore we once again remind you, our members, that we need you to contribute articles on the interesting items you have in your collections. The journal cannot survive without the contributions of Guild members, so please consider contributing to *Caps & Flints* if you want it to thrive.

While we would prefer articles and accompanying images to be sent in digital form so that the Editor's job is simplified, we realise that some members may not be able to do that. However, we will accept handwritten articles, which will be retyped. Please ensure images are clear and focussed.

Please forward articles or enquiries to the Editor *Caps & Flints* by email to cupfire1@ozemail.com.au or by mail to PO Box 2976, Cheltenham, 3192, or contact the Guild Secretary on (03) 9584 2907.

Monday Night Club Meetings Remain Cancelled Until Further Notice

Due to public health concerns caused by the outbreak of the COVID-19 virus the Guild Committee has decided that our regular Monday club meetings at Eley Park will remain cancelled until further notice.

We realise that this will be a disappointment, but we have no choice given that the health of our members must be our prime consideration.

Noel Hall Award

The COVID-19 restrictions that have closed our meetings since March, and the continuing uncertainty as to when we will resume our regular Monday night meetings have made it clear that there are insufficient display nights available to give all competitors a fair chance. Accordingly there will be no Noel Hall Award this year.

The Guild Committee has been concerned in recent years that there is a marked reduction in members making the effort to bring items from their collections to display on Monday evenings. This has resulted in a small group of regulars shouldering the task of presenting displays to highlight collector specialties and themed displays. Clearly this is an unhappy state of affairs and also unfair to the diminishing number who do take the effort to present displays.

In the light of the above the Guild Committee will examine the question of displays and the manner in which they are encouraged. Accordingly we will revisit the topic of displays and produce a plan for future Monday activities.

Licence Renewals and PTAs

As we have cancelled our Monday meetings until further notice, **all members** are requested to submit licence renewals, licence applications and Permits to Acquire requiring the signature of a Nominated Officer to the Guild at PO Box 2976 Cheltenham, 3192, or by email to cupfire1@ozemail.com.au

Please remember to enclose a stamped addressed envelope so that we may forward them to the required destination. Mail costs are increasing, and we appreciate members' cooperation in this matter.

The Secretary can be contacted on (03) 9584 2907 or by email at cupfire1@ozemail.com.au
